L. Hilliard, Esq., K.C.,

Morrisburg.

Dear Mr. Hilliard:

I have spoken to the Registrar about granting your son, Foster Hilliard, a certificate that will enable him to leave on Friday morning at nine o'clock so as to be in time for the valedictory of the Collegiate Institute in the evening. I have also asked him for the same reason to give one to Miss Sadie Bush. As you may realise our exceptions have to be carefully guarded or we get into endless confusion.

Yours sincerely,

President.
